William Street
PERTH

6 March 2024

Dear Residents & Businesses

WILLIAM STREET REFRESH WORKS

The City of Perth is pleased to advise that the proposed William Street refresh works are due to commence. The 'refresh' works aim to revitalise existing infrastructure and upgrade street furniture and will include:

- Painting of existing infrastructure such as light poles;
- Removal of old signage and replacement with the City's new wayfinding signage suite;
- Upgrade of existing tree pits with sustainable porous paving;
- Planting of new trees with upgraded tree grills and guards; and
- Replace old furniture with the City's new furniture suite.

SCHEDULE OF WORKS

Works will be staged from the middle of March to the end of June 2024. Where possible works will be undertaken at night to minimise disruption to both businesses and visitors to the street.

The approximate time frame for works is as follows:

11 March – 29 March – Night Works (9pm – 6am) - Removal of ornamental frames from existing light poles

29 March – 12 April – Night Works (9pm – 6am) – Painting of all light poles

12 April - 12 June – Night Works (9pm – 6am) Tree planting and tree surround upgrades

13 April – 17 May – Day Works (7am – 3pm) Installation of Furniture

ROAD CLOSURES

Temporary lane closures will be in place to facilitate the **night works only**. Access will be maintained for businesses and pedestrians, however delays should be expected. Please follow the pedestrian and road detour signs.

PROJECT BENEFITS

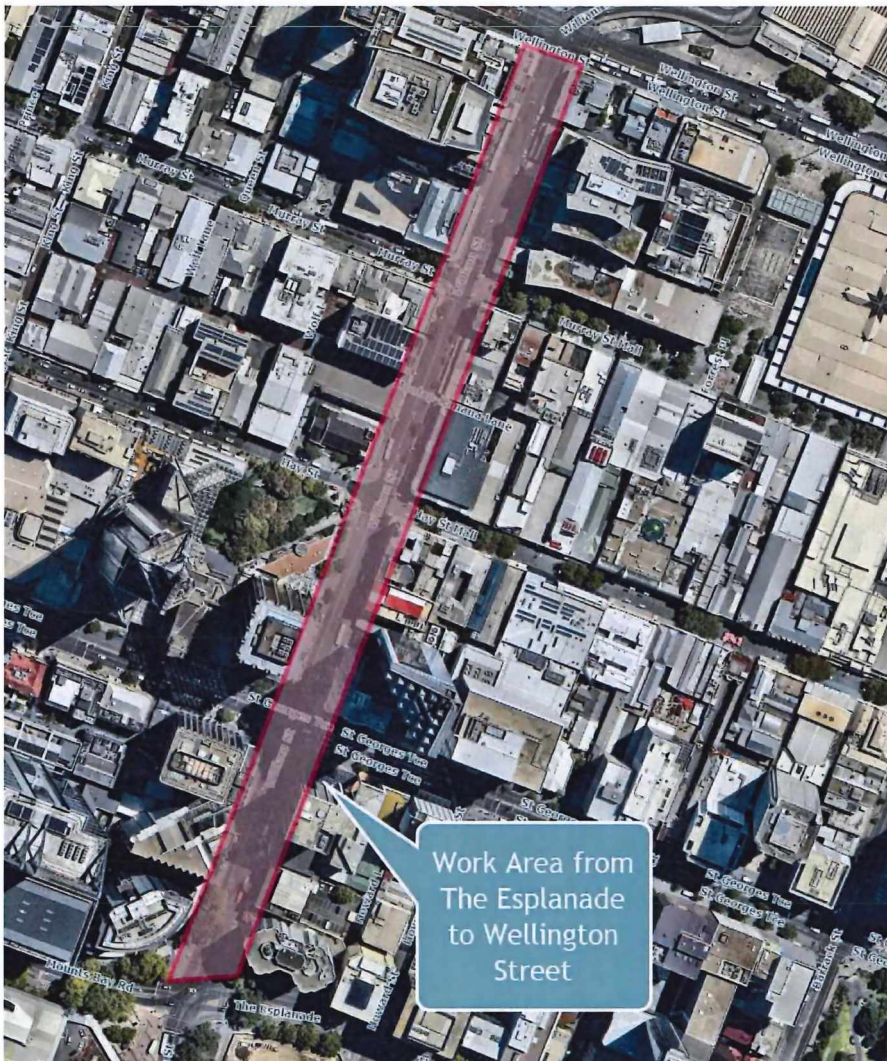

The William Street refresh works aim to provide the following benefits:

- Declutter and refresh of infrastructure through co-location and removal of redundant elements;
- Creation of inviting social spaces with upgraded street furniture; and
- Improve greening and cooling with additional tree planting and improved health for existing trees.

PROJECT IMPACTS

- Temporary lane closures for limited timeframes during some night works only.
- Temporary disruption to street amenity while upgrades/replacements are in progress.
- Noise from equipment during work hours can be expected.

Please refer to the map below for the location of the works highlighted.
