

“John Oldham Timber Bridge Replacement” – Project Information

Background: The timber bridge at John Oldham Park (established in 1959) was constructed in 1973. John Oldham Park is a recreation reserve located at the Narrows Interchange, via Mounts Bay Road, Perth. The City of Perth is pleased to have planned works to revitalize the existing John Oldham bridge.

Project Overview:

Scope: The scope of works is to renew the existing timber bridge with a ‘like for like’ replacement

Scheduled dates: 07 March to 21 April 2023

Work Hours: 7.00am to 5.00pm Weekdays

Fencing: The site will be Fenced off for the duration of works
