PROJECT BENEFITS

Consistent with the City's Strategic Pillar of Sustainability, the following benefits will be delivered:

- Aesthetic enrichment experienced
- Improved public perception of comfort and safety
- Highlighting a significant major gateway arrival point tree

NIGHT TIME WORKS

There will be some night time works due to overhang of the tree canopy as per below: During these works the east bound road along Adelaide Terrace between Victoria Avenue and Hill Street will be closed.

Date: Sunday, 28 May to Thursday, 01 June 2023

Time: 8:00pm to 12:00am

IMPACTS

- Due to the tree canopy overhanging the road, it is necessary to undertake some of the work at night. These works will require a full lane closure on Adelaide Terrace (East bound only between Victoria Avenue and Hill Street).
- Adjacent car park bays will not be available for use.
- Access will be maintained for businesses and pedestrians. Please follow the pedestrian and road detour signs around the work site.
