

Residents and Business Owners
Pier Street
PERTH WA 6000

29 November 2023

Dear Residents and Business Owners

PIER STREET CAR PARK GATE REPLACEMENT – PIER STREET, PERTH

The City of Perth is pleased to advise that upgrade works to install new roller shutter doors at CPP Pier Street Car Park are scheduled from **Monday, 8 January to Thursday, 25 January 2024**.

SCHEDULE OF WORKS

Date: Monday, 8 January 2024 to Thursday, 25 January 2024

Time: 9:00pm to 5:30am (Night Works)

PROJECT BENEFITS

The installation of new roller shutter doors at CPP Pier Street Car Park will have the following benefits:

- Address aged and damaged gates
- Improve operational requirements through remote access
- Mitigate maintenance costs

PROJECT IMPACTS

- Partial road and footpath closures will be in place to facilitate the works.
- Early closure of the car park may be required during these works. Prior notice will be provided to the car park users via the City's website and physical signage in the car park.
- Access will be maintained for businesses, pedestrians and cars at all times. Please follow the directional signs around the work site.
- Mild level of noise from equipment being used to carry out the works.
