

City of Perth

Building Owners/Tenants  
Adelaide Terrace Pedestrian Overpass Bridge  
East Perth

Dear Sir/Madam

**NOTIFICATION OF ADELAIDE TERRACE PEDESTRIAN OVERPASS BRIDGE LIGHTING WORKS  
20 DECEMBER 2021 TO 07 FEBRUARY 2022**

The City of Perth has approved a lighting upgrade project at the Adelaide Terrace Pedestrian Overpass Bridge.

New LED lighting will emphasise the bridge's architectural qualities and enhance the visual impact and appearance of the bridge.

The new lighting will be energy efficient with programmable colour effects. Once complete, the bridge light display will provide a striking image of the City's entrance after dark.

Construction work on the lighting project will begin on Monday 20 December 2021 and is scheduled to be completed by Monday 07 February 2022. During the project there will be partial footpath and footbridge closures. Access will be provided at all times, with pedestrian detours signs in place to safely direct people around and through the work site.

The City appreciates your cooperation during the works.

Yours faithfully,

**JASON TAN**
