PROJECT BENEFITS

Consistent with the City's Strategic Pillar of Sustainability, the work comprises installation of fairy lighting and associated equipment on a selected tree in front of Shafto Lane on Hay Street.

The following tangible benefits will be delivered:

- Aesthetic enrichment experienced
- Improved public perception of comfort and safety
- Highlighting a significant major gateway arrival point tree

IMPACTS

- These works will require the closure of one lane on Hay Street during the work.
- Access will be maintained for businesses and pedestrians however some pedestrian movement may be affected. Please follow the pedestrian and road detour signs around the work site.
