

Dear Stakeholder

UPCOMING WORKS – ROE STREET ENHANCEMENT PROJECT - DECEMBER 2021

As part of the Roe Street enhancement project, Civcon will be commencing the upgrade of critical infrastructure which includes large scale and complex works to cater for the City's growth.

What is happening and when?

On behalf of Development WA, Civcon (Contractor) will be commencing construction activities on Roe Street between the following intersections:

- Between Fitzgerald and Melbourne Streets from 6 December to 10 December 2021
- Between William and King Streets from 13 December to 17 December 2021

Planned Construction Activities:

- Service Installation
- Verge reconstruction
- Pavement reconstruction and asphalt re-surfacing.

What will the impacts be?

- **Full 24 hours road closures** for East and West bound traffic. Please refer to attached maps and follow direction of traffic controllers
- Construction noise
- Footpath detours
- Installation of temporary construction fencing.

Local driveway access and use of pedestrian crossings will be permitted at all times.

Night Work

There may be a requirement to perform certain activities outside of normal working hours in order to:

- Reduce the impact on pedestrians and businesses
- Provide a safe working environment for our personnel
- Temporary road/lane closures and detours

Who to contact?

We are committed to working with stakeholders to minimise the impacts of this essential work and everything possible will be done to minimise disruption. While we will endeavor to complete the work as quickly as possible if you have any concerns, please refer:

- Civcon Senior Project Engineer – Marinko Knezovic – 0478 761 817
