Addressing homelessness and antisocial issues in the City

To help inform the community, the following is a list of City of Perth initiatives and strategies in collaboration with State Government agencies, that are helping to address the homelessness and antisocial issues currently being experienced in the city:

Homelessness	
Safe Night Space for Women	to provide a centre for women to rest, seek support, and connect to other support services
Safe Night Shelter for Men	to provide a safe and secure environment for men experiencing homelessness to shelter
Moore St Accreditation Site	a centralised hub in which support services can support people working to end the cycle of homelessness
Rough Sleeper Plan	a multifaceted plan with 6 key priority areas to significantly reduce homelessness and rough sleeping in the city
Advocacy for State action	a collaboration with the State Government and associated agencies to achieve a shared goal of significantly reducing homelessness within the city
Homeless services provider brochures	a comprehensive support brochure, detailing inner-city homelessness service providers

Antisocial Behaviour	
SafeCity Plan	The SafeCity Plan 2021-2025 Sets the framework for the City of Perth's services around community safety
Creating Safer Space Guidelines	A guide to give designers, residents, businesses, and planners the tools to create a safe environment
Monthly Hotspot reports	comprehensive reports reporting collective data from CCTV, movement counters and community observations
Targeted Ranger patrols and CCTV checks	Providing data-driven patrols and monitoring to target specific behaviours and areas identified in the hotspot report or in response to local observation
WA Police and CityWatch Cooperation	Continuous cooperation between WA Police Force and CityWatch Surveillance Centre means data is shared quickly to allow for an informed response by Police and other agencies
Business Engagement sessions	Regular Community Safety focused engagements with businesses to understand the issues and target solutions
Community Engagement	The Community Safety team engage with the community to help drive increased reporting and provide information on how to remain safe in the city
Youth Engagement	The City hosts youth programs to engage with unaccompanied youth and provide them with a safe environment to engage with support services
Reporting number flyers	The City has created quick reference flyers for businesses and community members on who to call to report issues
