

Dear Residents and Business Owners

LED LIGHTING UPGRADE: CRAWLEY - UPDATE

The City of Perth would like to update you on the progress of the lighting upgrade works.

Following our notification letter dated 6 September 2022, localised inspection of some of the poles commenced on 16 of September 2022.

The refurbishment of the Decorative Post Top London Light poles is scheduled from **4 November 2022 to 30 May 2023**. Works will occur at various stages along Crawley Ave, Wingfield Ave, Kings Park Ave and Park Ave.

Consistent with the City's Strategic Pillar of Sustainability the lighting upgrade will comprise of the following:

- All existing decorative post top light poles to be refurbished and the lamps replaced with new warm white LED lamps.
- New additional decorative post top light poles to be installed along Crawley Ave, Wingfield Ave and Kings Park Ave where required.
- Existing Western Power streetlights removed along Park Ave.
- New 6.5m high streetlight with warm white LED luminaire to be installed along the northern verge of Park Ave.

Impacts

- Adjacent car park bays will not be available for use.
- Various partial road and footpath closures will be in place to facilitate these installations.
- Access will be maintained for businesses, pedestrians and bus stops at all times. Please follow the pedestrian and road detour signs around the work site.
- Use of excavators and cutting equipment will create some noise.

Night works

- No night time works will occur for the refurbishment of the Decorative Post Top London Light poles.

Benefits

The following tangible benefits will be delivered:

- Improve lighting levels for safety and security.
- Improve energy and lighting efficiency.
- Provide a consistent lighting treatment within the area.
- Address aging lighting infrastructure.
- Minimise maintenance costs.

Please refer to the attached maps for installation locations.

For more information

Contact the Customer Experience Centre: 9461 3333 or via info@cityofperth.wa.gov.au or visit Engage Perth: <https://engage.perth.wa.gov.au/electrical-lighting-upgrades-2022-2023> or scan the QR code below.

We thank you for your patience and look forward to improved lighting in the area.

Yours sincerely

CRAIG BEST
