Dear Perth Buskers,

EXCITING UPDATES TO BUSKING LOCATIONS IN MURRAY STREET MALL

As part of our ongoing commitment to creating a vibrant, balanced and welcoming atmosphere for street performers, visitors, and local businesses, we're making a few adjustments to our busking locations in Murray Street Mall.

West Murray Street Busking Pitch

The current pitch opposite the Kmart entrance is moving a little further west, now located in front of the Lorna Jane store.

This small shift will help maintain the lively atmosphere while reducing amplified sound reflections that were impacting nearby businesses.

New Temporary Pitch – Murray Street East

We're reintroducing a temporary location on the Eastern side of Murray Street Mall, under the Padbury Walk Overpass (connecting Myer/JB HiFi to David Jones).

Trial Reintroduction: Central Murray Street Circle Pitch

The City is also trialling the much-loved Circle Pitch, right in the heart of the Murray St Mall in front of Flight Centre.

This special pitch will be available by pre-approval only for selected public entertainment acts — think illusionists, living statues, comedians, clowns (with soft object juggling), mime artists, and similar captivating performances.

Successful candidates must ensure that performances use only voice amplification for sound, with no ongoing music. Crowd management must be implemented to maintain safety and public convenience. If you are interested in this opportunity, please email the address below to submit your proposal.

Performance Tips

For amplified acts, **angle speakers** towards the nearest main cross street to ensure a wide distribution of sound, and to reduce distorted sound reflections that may impact local businesses.

To ensure fair use of public spaces amongst your peers, please limit your performance time to a maximum of **one hour** (including setup and pack down), and kindly avoid returning to the same spot within **four hours**.

These changes aim to make the Murray Street Mall experience even more enjoyable for everyone — performers, audiences, and local retailers alike.

Thank you for your cooperation. If you have further enquiries, please email us at **info@cityofperth.wa.gov.au**.

Kind regards,

Customer Experience
