

Dear Stakeholder

As part of the Roe Street enhancement project, Civcon are progressing the upgrade of critical infrastructure which includes large scale and complex works to cater for the City's growth.

What is happening and when?

On behalf of the City of Perth, Civcon (Contractor) will be conducting construction activities within Roe Street that necessitate a **westbound road closure between Beaufort St and William St during the following times:**

- **10am Monday 22 August 2022 to 1pm Monday 22 August 2022**
- **9pm Monday 22 August 2022 to 4am Tuesday 23 August 2022**
- **9pm Tuesday 23 August 2022 to 4am Wednesday 24 August 2022**

Planned Construction Activities:

- Asphalt re-surfacing

What will the impacts be?

- Westbound road closures during the aforementioned times. Please refer to attached maps and follow direction of traffic controllers.
- Construction noise.
- Installation of temporary construction fencing.

Egress from the City Place Car Park will be available at all times, refer to the map attached.

Night Work

There is a requirement to perform certain activities outside of normal working hours in order to:

- Reduce the impact on pedestrians and businesses
- Provide a safe working environment for our personnel
- Temporary road/lane closures and detours.

Who to contact?

We are committed to working with stakeholders and will do everything possible to minimise the disruption of this essential work. While we will endeavor to complete the work as quickly as possible, weather conditions, contractor availability or other unforeseen circumstances may delay the works.
