Residents & Business Owners
Perth

Dear Residents and Business Owners

MOUNTS BAY ROAD SHARED PATH WORKS

The City of Perth is pleased to advise that shared path renewal works along Mounts Bay Road (east of the Swan Brewery) will commence in March 2023. The works will be undertaken from **Monday 20 March 2023 to Monday 01 May 2023** and carried out as per the below schedule (weather permitting).

SHARED PATH REPAIR WORK BENEFITS:

- Address aging path infrastructure
- Improve safety
- Minimise ongoing maintenance cost

Please refer to the map on the next page for the worksite locations.

LOCATION: Mounts Bay Road, Perth

TIMES:

8:00am to 5:00pm – Low impact works only, no effect to traffic conditions.

7:00pm to 6:00am – Night works.

DATE: Monday 20 March to Monday 01 May 2023

PROJECT DETAILS

The works involve the removal, renewal and reinstatement of the shared path along Mounts Bay Road. Traffic and pedestrian management will be in place at all times during these works and local access will be maintained. The shared path will be closed for the duration of the works and alternative routes will be put in place for pedestrians and cyclists heading in and out of the City through Mounts Bay Road. The Swan Brewery will still be available and accessible.

Closing of the shared path will ensure construction activities can be undertaken in the safest possible manner and significantly reduce the risk of a partial river wall collapse during the works. The works are scheduled to be completed with the current favourable river tidal conditions, before these decrease during the winter months. **Further project details can be found on our Engage Perth website by scanning the QR code below.**

PROJECT IMPACTS

- Most of the work will be carried out during the night to lessen the impact to traffic throughout the day.
- The shared path will be closed for the 6-week duration of the project.
- No cyclist and pedestrian access along Mount Bay Road into the City.
- The alternative route for cyclists and pedestrians diverts through Kings Park – see Alternative Route Plan on the Engage Perth project page engage.perth.wa.gov.au/mounts-bay-road-share-path-works
