Join us to explore the
design concepts for
the Claisebrook Cove
Revitalisation (Stage One)

- ✓ See and discuss
what's proposed for
Claisebrook Cove
- ✓ Hear about the key
community engagement
findings and how they
informed the planning
- ✓ Chat with the project team
- ✓ Learn how to get involved
in future stages

This session will run alongside
the Perth Capital City Plan
consultation.

Why Claisebrook Cove is Being Revitalised

- Address ageing infrastructure public facilities built in the 1990s.
- Improve lighting, water quality, and accessibility across the Cove.
- Create better play spaces and community gathering places.
- Support sustainability and protect local wildlife habitats.
- Retain, repurpose and enhance existing public art.

Get involved

- Learn more about the project.
- Register to receive project updates via email.
- Register to join the Claisebrook Cove Community Reference Group (CCCRG) to help shape the detailed revitalisation design. The CCCRG is open to: Residents, businesses, parents, students & other locals. Spots are limited – if oversubscribed, members will be selected by ballot.
