

Dear Residents and Business Owners

CRAWLEY LIGHTING UPGRADE

The City of Perth is pleased to advise that lighting upgrades in Crawley are scheduled from August to December 2023. Works will occur at various stages along Park Avenue, Crawley Avenue, Wingfield Avenue and Kings Park Avenue.

PROJECT BENEFITS

Consistent with the City's Strategic Pillar of Sustainability the new light poles with LED fittings will be installed along these streets, including associated civil and electrical works.

The upgrades will include:

- New additional decorative post top light poles to be installed along Crawley Ave, Wingfield Ave and Kings Park Ave where required.
- Existing Western Power streetlights removed along Park Ave.
- New 6m high streetlight with warm white LED luminaire to be installed along the northern verge of Park Ave.

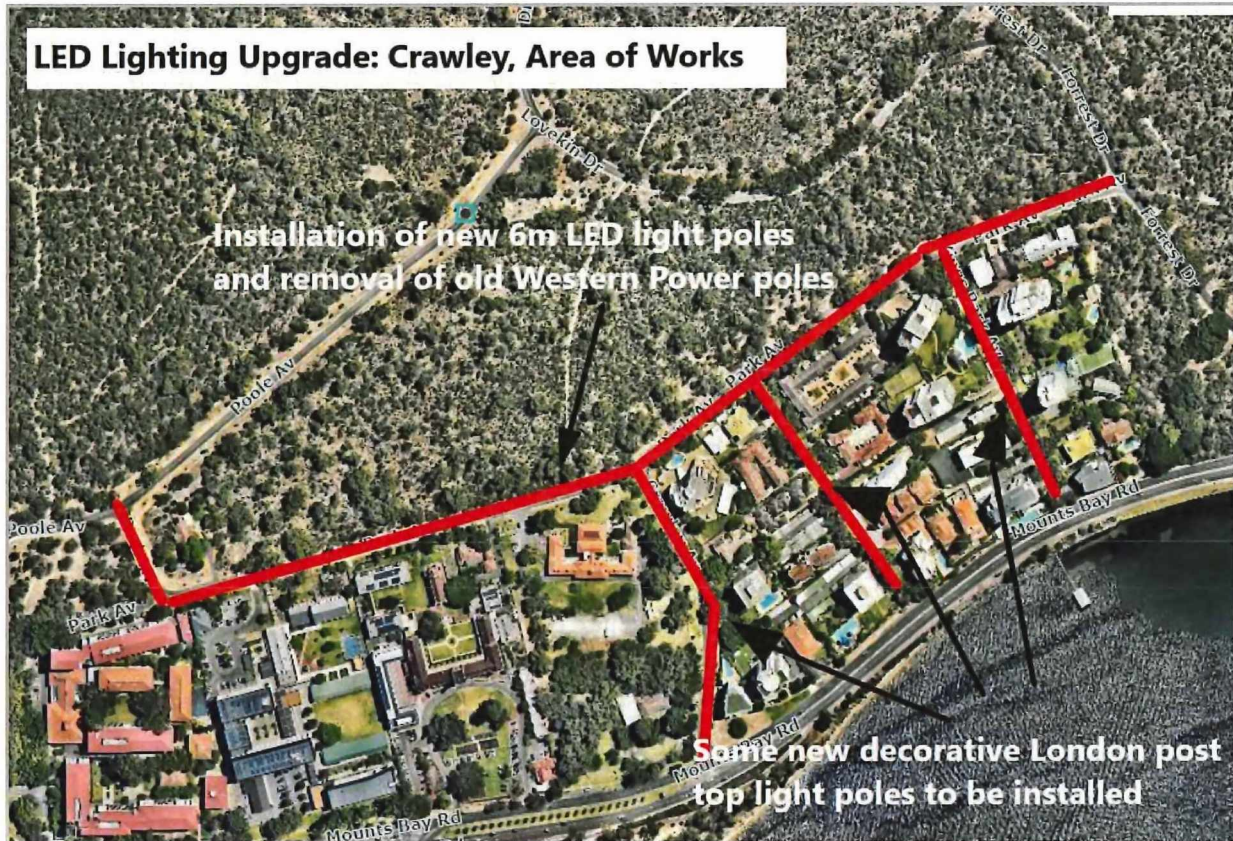

The following benefits will be delivered:

- Improve lighting levels for safety and security.
- Improve energy and lighting efficiency.
- Provide a consistent lighting treatment within the area.
- Address aging lighting infrastructure.
- Minimise maintenance costs.

IMPACTS

- Adjacent car park bays will not be available for use.
- Partial road and footpath closures will be in place to facilitate these installations.
- Access will be maintained for businesses, pedestrians and public transport at all times. Please follow the pedestrian and road detour signs around the work site.
- Noise from equipment during work hours can be expected.

Please refer to the map below for installation locations.
