

Residents and Businesses

7 August 2023

Dear Residents and Businesses

Wellington Square – Oval and Footpath Lighting

The City of Perth is pleased to advise that lighting upgrades are scheduled at Wellington Square from **October 2023 to June 2024**. Works will occur within the park as outlined on the map on the next page.

PROJECT BENEFITS

Consistent with the City's Strategic Pillar of Sustainability, new lighting poles with LED light fittings will be installed along the footpath adjacent to Bennett Street and four lighting towers with floodlights around the boundary of the oval.

The works will include

- Trenching and excavation works along the footpath
- New 4m high footpath light poles with LED luminaires
- New 30m high lighting towers with LED floodlights around the boundary of the oval

The following benefits will be delivered:

- Improve lighting levels for safety and security
- Encourage users to use more avenues of the footpath
- Provide a consistent lighting treatment within the area
- Increase in playground usage

IMPACTS

- Noise from equipment during work hours can be expected
- Some of the adjacent car park bays will not be available for use
- Partial road and footpath closures will be in place to facilitate these installations
