City of Perth Businesses and Residents

Dear Businesses and Residents

TERRACE ROAD - VICTORIA AVENUE TO PLAIN STREET – SAFETY IMPROVEMENTS

The City of Perth is pleased to advise that new road safety improvements are proposed for Terrace Road between Victoria Avenue and Plain Street, Perth. These measures address ongoing feedback from the community about traffic speeds and poor visibility at intersections and driveways.

Terrace Road qualifies for funding via the State Government's Black Spot Program which directly targets roads that have proven crash history.

The following traffic calming measures have been proposed for Terrace Road:

- Improvements at the intersections at Hill and Bennett Streets.
- A continuous median island between Hill Street and Plain Street
- Footpath extensions to narrow the road and create new pedestrian locations
- Localised removal of parking bays at intersections and driveways

BENEFITS TO BUSINESSES AND RESIDENTS

- Reduced speeds along Terrace Road
- Improved visibility at intersections and driveways
- Improved access for pedestrians

FEEDBACK AND ENQUIRIES

Feedback and comments can also be submitted via [Engage Perth](#) or by scanning the QR Code. If you have any questions regarding Terrace Road Safety Improvements, please contact the City of Perth via email at info@cityofperth.wa.gov.au or call on 08 9461 3333.

Yours sincerely
