

City of Perth

Dear Residents and Business Owners

ROYAL ST LIGHTING UPGRADE BETWEEN BENNETT ST AND TRAFALGAR RD SOUTH

The City of Perth is pleased to advise the lighting upgrade along Royal Street is scheduled from 15 August 2022 to 31 March 2023. Works will occur between Bennett and Plain Streets and then between Plain Street and Trafalgar Road South.

Consistent with the City's Strategic Pillar of Sustainability, new multi-functional lighting poles with LED light fittings will be installed along these sections of Royal Street, including associated civil and electrical works. The following tangible benefits will be delivered:

- Improve lighting levels for safety and security
- Improve energy and lighting efficiency
- Provide a consistent lighting treatment within the area
- Address aging lighting infrastructure
- Minimise maintenance cost.

Please refer to the attached maps for installation locations.

What will the impacts be?

- Adjacent car park bays will not be available for use
- Various partial road and footpath closures will be in place to facilitate these installations
- Access will be maintained for businesses, pedestrians and bus stops at all times. Please follow the pedestrian and road detour signs around the work site.

Night works

- Some of the pole installations and civil works (road crossing) will need to be done at night
- The road crossing will require full lane closure and detour signs will be in place
- Use of road rollers, compactors and vacuum excavators will create some noise
- Additional notice will be provided one week in advance of night-time works.
